

ASSUMPTION OF RISK AND RELEASE FORM: (for field trips and other off campus activities) The personal safety of our students is a major concern for the Luce Asian Archaeology Program, Outreach College www.outreach.hawaii.edu, and the N.I.C.E. (New Intensive Courses in English) www.nice.hawaii.edu program. Dangerous activities are avoided and not endorsed by the Program. However, students are required to participate in activities in the Honolulu community that are related to classroom work.

The *Assumption of Risk and Release* form releases the University and its employees from responsibility in the event of damage to personal property, personal injury, or death, which may result from your participation in the Luce Asian Archaeology Program and N.I.C.E. activities, including transportation to and from the activities.

Please read the information below carefully, then fill in the date and sign your name. Thank you.

I, the undersigned, in full recognition and appreciation of the dangers and hazards inherent in the New Intensive Courses in English, and during transportation to and from N.I.C.E. and the Luce Asian Archaeology Program activities, including any fieldwork, to which I may be exposed during my enrollment and participation in these programs, do hereby agree to assume all the risks and responsibilities surrounding my participation in these programs or activities undertaken as an adjunct thereto; and, further, I do for myself, my heirs, executors, and administrators hereby defend, hold harmless, indemnify, and release, and forever discharge the University, and all its officers, agents and employees from and against any and all claims, demands, and actions, or cause of action, on account of damage to personal property, or personal injury, or death which may result from my participation, and which result from causes beyond the control of, and without the fault or negligence of the University, its officers, agents or employees, during the period of my participation as aforesaid.

IN WITNESS WHEREOF, I have caused this release to be executed this
